

How to Use the Garden Exchange

As an active Desert Gardeners member, you are automatically added to the Garden Exchange. Use this private member space to ask gardening questions, share advice, and offer or request plants, cuttings, seeds, pots, tools, and other gardening supplies.

Step 1: Open the Garden Exchange

Step 2: Start a New Post

Step 3: Write and Publish Your Post

Test Member
create a post in Garden Exchange

Free aloe plant

Healthy aloe plant available to another club member. Approximately 18 inches tall and ready for pickup.

+ Add a Topic

Back

Publish

Add a clear title, then enter your message in the “Share something” area. Click the image icon to add a photo, if desired.
